To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Landon Makinster. I currently have Landon as a student at Branson High School where he has definitely earned my utmost respect.

Landon has demonstrated maturity that surpasses his years. He is very focused on his goals and I anticipate he will have bright prospects for his future. I have had the privilege of Landon enrolled in my Greater Ozarks Center for Advanced Professional Studies (GO CAPS) Business & Entrepreneurship class, where he had proven to be one of the top workers in the class. As for Landon's work ethics; his assignments have always been turned in on time, as well as being top quality work.

His character goes above what is expected of a high school student. As a GO CAPS Associate, Landon has been an exceptional participant of the class; asking questions and engaging with business partners from the community. He has been an exemplary leader and role model.

Overall, Landon is well prepared for any endeavor he is willing to attempt. He manages to be very involved with school sports and the community. He is a self-confident young man, and I would recommend him for anything he feels the need to pursue in his life.

If you have any questions, please feel free to call me at Branson High School, 417-334-6511 or e-mail at cornelisona@branson.k12.mo.us.
