Aidan McKendry is a class of 2027 graduate at Horizon High School. Aidan is a swiss army knife type of player that came into the Horizon Baseball program as a middle infielder but has transitioned into an outfielder. He is very athletic and can play anywhere on the field. Offensively makes consistent contact and goes both sides of the field. On the bases gets great reads and can be a threat to steal bases.

Work ethic Aidan always works hard and hustles on and off the field. Will always get consistent hard 90s out of the box. Away from the field Aidan is a good student-athlete and excels in the classroom and is a good representation for not only Horizon Baseball but Horizon High School. Aidan also coaches for a club baseball organization for an 11u team where he helps coach both infielders and outfielders.
