To Whom It May Concern:

I am writing to recommend Chloe McKendry, a student who I have had the pleasure of teaching the last two years in both in my AP English Language and Composition course and my Honors Sophomore course. Chloe is a thoughtful, engaged learner who brings maturity, strong communication skills, and a collaborative spirit to the classroom. She is currently pursuing opportunities to play collegiate baseball; this is, of course, an uncommon and ambitious path for a young woman. This pursuit alone reflects her resilience, confidence, and willingness to test limits in order to grow. Chloe balances her academic responsibilities with this demanding goal, demonstrating the discipline to succeed in the classroom and the drive to do so on the diamond. I am confident that her character, work ethic, and determination will make her an asset to any program fortunate enough to welcome her. Thank you for your time in reading this recommendation, and please feel free to contact me if there is anything else I can do to further assist.

Sincerely,

Brian Morgan
