

To Whom It May Concern:

I am writing to recommend Kaden Edgington for his strong work ethic and consistent effort on and off the baseball field. Kaden shows up ready to work every day and gives full effort in practice and games. He listens well, takes coaching seriously, and works to improve his skills. In the classroom, he stays focused on his studies and maintains solid grades while balancing sports and school. Kaden manages his time well and follows through on his responsibilities. He is dependable, respectful, and a positive influence on his teammates. I believe his effort and commitment will serve him well in any future goals he pursues.

Sincerely,

Bryan White

Head Baseball Coach Blue Ridge High School
