February 9, 2026

Dear Athletic Director and/or Representative,

I am honored to recommend Rawley Evans, who exemplifies strong character, leadership, and an exceptional work ethic, to join your athletics program.

Academically, he has maintained a rigorous course load, including dual enrollment coursework, while earning a 4.11-weighted GPA and consistent Honor Roll recognition. Beyond the classroom, he demonstrates dependability and professionalism through his employment in healthcare, where he assists with clinical duties, documentation, and responsibilities requiring maturity and attention to detail.

As a multi-sports athlete, Rawley has earned numerous All-Region and All-Star honors, reflecting not only athletic talent but also discipline, coachability, and teamwork. He leads by example, handling both success and adversity with perseverance and maturity. I am confident Rawley will bring the same dedication, character, and resilience to your college athletics program!

If you have any concerns about him, please do not hesitate to contact me.

Sincerely,

Olivia Sturgeon
