

Gio is one of those players that every coach wishes that they had 9 of. This will be my 6th year coaching Gio in the summer and to see how much he has grown over those 6 years speaks volumes of work ethic outside of the game. His baseball IQ is above average for his age, which sets him apart when he is on the field. Gio as an individual is easy to talk to and he is always eager to learn. I am looking forward to coaching Gio this summer and in the future.
