

**This is Phil Miglio, Head Baseball Coach and Athletic Director at Tonopah Valley High School(TVHS).**

**I am writing this email as a letter of recommendation for Connor Hart. Connor is currently a freshman student and baseball player at TVHS. I have had the pleasure of coaching Connor since his 7th to 8th grade summer. He is also currently playing Fall/Winter ball for me at TVHS.**

**The first thing I would like to mention is Connor's commitment and attitude towards his teammates and coaches. He always supports his teammates in tough situations and picks them up when they are down. He is always willing to help with instruction for players who may need a little help. Connor also shows support toward coaches decisions and vocally supports those decisions in front of his teammates. The fact that he is a freshman and already taking leadership roles has been very impressive.**

**Connor is also a very impressive player on the field of play. On the mound I believe his Fastball is sitting in the low 80's, and he can definitely throw other pitches well. He is very consistent throwing a lot of strikes. I will have him focusing on his Fastball, Change Up and curveball this year. Connor is a natural corner infielder. He is a n exceptional third baseman, this is where I believe he is the most comfortable. He has done very good behind the plate and at SS/1B as well.**

**Connor is also a great student and citizen. He volunteered to feed the less fortunate during our Thanksgiving break. He came to our Junior High School along with his family and served Thanksgiving dinner to folks from all around the rural Tonopah area who could not afford a Thanksgiving meal. He also is the first to step up anytime we are fundraising or helping out on the field. He attended Jr. High in a nearby district and I believe had straight A's from 6th to his 8th grade year. He has carried this over into his freshman year.**

**Any coaching staff or baseball program would be lucky to have Connor as a part of their organization. We at Tonopah Valley are very excited and happy to have Connor with us for the next four years. If you have any questions please feel free to email or call me anytime.**

**Respectfully,**
