

Reference letter for Connor Hart

I am qualified to write this letter because I taught and coached Connor for 3 years during junior high. In that time, Connor proved to be a solid student who always got the job done. He treated his peers and teachers with respect throughout his time at my school. Connor also developed into a great athlete, playing multiple sports throughout junior high. Baseball is his love, and he demonstrated a steadfast commitment to the game and his teammates. It was my pleasure to teach and coach Connor, and I believe he will be a great player for his future college team as well.

Maybe the most telling event about Connor's character was when he volunteered to help coach a group of 8-year-old baseball players at my house. He displayed patience, and gave encouragement to all the youth players he interacted with.

Please don't hesitate to contact me if you have any additional questions about Connor. Thank you.

Sincerely,

Justin Moore
