To Whom it May Concern:

Please accept this letter of recommendation in support of one of my current students. I have had the pleasure of watching Davis Grawey as his Athletic Director and Teacher since Fall of 2018. I have observed him lead and develop as a person, classmate and athlete on and off the field. In all my dealings with Davis, he has shown to be a young man of character, leadership, and dedication. It is in this capacity that I have seen his commitment, optimism, organization, and willingness to help others succeed where they struggle. In addition, I have seen Davis not only challenge himself to do well, but others around him. Davis has taken the responsibility and the role as a leader to his classmates and his teammates and has proven this type of leadership in many ways.

In addition to sports, Davis uses his limited time in other extracurricular activities. Davis has been part of the AVID program on Rio Americano's campus for two years and spends 10 hours each semester serving the community in numerous ways. Furthermore, Davis assists young athletes, helping them improve their skills, abilities and game. His selflessness to help others is in his nature and has become the routine of his everyday life. I am confident that these same qualities make him a strong candidate for your program.

To conclude, Davis has perfected the balance of academics and sports while maintaining a 3.3 GPA. It is evident that Davis contains valuable character as a person while he continues to develop as a young man. With these attributes, I enthusiastically believe that Davis Grawey is fit for your program and have confidence that he will succeed.

Sincerely,
