Dear To Whom It May Concern:

It is my pleasure to highly recommend Travis Gates. Travis is currently a freshman at Prescott High School in Prescott, Arizona. I have known Mr. Gates for the last year. He is currently in my Algebra I class. Travis is a hard-working, driven young man. He participates well in class, asks great questions and is willing to help his classmates. With his calm, friendly manner and engaging personality he gets along with his classmates and teachers. Mr. Gates currently has a 4.0 grade point average and is a pleasure to have in class.

In addition to his coursework, Travis is very involved in extracurricular activities. Travis is a dual sport athlete playing both football and baseball. In football, his position was tight end. At Prescott High School we have three football teams – freshman, junior varsity and varsity. In addition to playing on the freshmen team he was also invited to participate on the junior varsity team. In baseball, he is one of two freshmen to make our junior varsity team. Travis is a pitcher and third baseman. He is respected and popular with his teammates. I look forward to seeing him play this Spring.

Mr. Gates has also been selected to be one of two freshmen on the Principal's Advisory Council. These students were nominated by teachers and selected by the principal to serve as a voice for students as well as being a student ambassador for Prescott High School. Mr. Gates's positive attitude, willingness to work hard, his ability to communicate and get along with his classmates and teammates will make him a great addition to any organization.

In summary, it is my high pleasure to recommend Travis to you! He is an outstanding young man whose intelligence, dedication and positive attitude will serve him well and he will be a great asset to your organization. Please feel free to contact me for further information at [james.rhine@prescottschools.com](mailto:james.rhine@prescottschools.com) or 937.369.1133.

Most Sincerely,

Jim Rhine
