

*To whom it may concern:*

*I am writing this letter to recommend Cody Campbell for your scholarship opportunity. He is a great student-athlete that I have had the pleasure of coaching for 3 years as Head Baseball Coach at Deer Valley High School. I have worked with Cody since his Freshman year and have watched him develop and excel in his academic and athletic career*

*Cody has worked hard to improve his game. Cody is a left handed pitcher that has good command of his fastball and off speed pitches. Cody received honorable mention in the West Valley region as a pitcher this past season. He will be a senior in the 2024 season.*

*Cody's work ethic also carries over to the classroom. He has also spent a lot of time volunteering in our program with community service projects. His teachers all comment about his outstanding character and work in the classroom. He is highly regarded on the campus by his coaches, teachers, administrators and peers.*

*If you need more information about Cody please contact me at your convenience.*

*Sincerely,*

*Greg Rice*
