To Whom It May Concern,

This letter is regarding Carlos Barba. Carlos is a junior in my baseball program at Summit High School. During Carlos's time here at Summit High School he has demonstrated excellent character, work ethic and passion to excel. He has demonstrated very strong leadership skills by the way he carries himself and his attitude. Carlos has improved greatly during this school year and I believe he will continue to do so because of his dedication and work ethic.

I would recommend Carlos for anything he might wish to pursue and can say with confidence that he would be an asset to your organization. If you have any more questions, please feel free to contact me.
