Mark McAllister III

Mark has been apart of the Slam! Nevada high school baseball for team for one year. Mark shows up everyday prepared to help himself and his teammates. Mark does his part setting up nets and other things needed before practice starts. Mark worked hard everyday working on improving his craft. As a freshman Mark did not start, but he gave his all to his team. Mark was used as a baserunner for live defensive situations daily. Mark also threw live batting practice to help his teammates get ready for their next outing. Mark did all this with his smile on his face. Mark did a good job of taking advantage of the opportunities he got when put in the game. Mark is very coachable, and I look forward to watching his growth in the next three years.
