To whom it may concern:

I have been training Mark McAllister on and off for two years. He is always on time, ready to work, and comes in with a great attitude. He never complains, he always does the workout I have planned without hesitation. From this experience, I can confidently say that Mark is a dedicated student-athlete who leads by example and will be an asset to any future team.

Marks goal is to play baseball in college. I know that he will be an outstanding addition to any college team. If you have any questions about Mark, please feel free to contact me at (702) 449-7606.

Best Regards,
