

To whom it may concern,

I had the privilege of coaching Colter Hansen for two years during summer baseball. This kid was an absolute honor to coach and is a coach's dream. He works hard on the field with exceptional talent and winning work ethic and has a unique way of building those around him. The coaches love him, the boys love him, and he shows his parents love and respect. It is an honor for me to write this recommendation letter and would recommend him to help lead a team.
