To Whom it may concern:

I am writing this letter as a recommendation for Joesph Marek.

I have been the head baseball coach at Hope for the past two years and have had the pleasure of coaching Joe for both of those two years. Joe is a very humble, focused and mature young man. He has a great understanding on what his goals are and what it takes to reach them. He is an extremely hard worker in the classroom as well as on the baseball field. He is a very good student and has over a 3.5 GPA. I have been impressed with his ability to articulate conversations in difficult situations.

Joe has proven himself as a leader on our baseball team with his leadership skills and work ethic.

Joe Marek for the last two years has proven himself as one of the top pitchers in our state. In addition to that, Joe has been in the top five in strikeouts for Class 4A over the last two years.

Joe's love for baseball and his determination to be the best continues to show in the offseason with his work in the weight room and his work with multiple club baseball teams. He is widely sought after for his abilities to throw the baseball by multiple club teams. Joe has also proven himself as more than just a pitcher with ability to play 1st base and continues to get better as a hitter. Another example of Joe's athletic ability is he has decided to play football his senior year and has already proven himself as an asset at the wide receiver position.

I am confident about Joe's work ethic and determination and know that it will allow him to succeed at the next level of baseball, academically and life. Please feel free to contact me for any further questions.

Very Respectfully,

Fernando Salinas
