Re: Student-Athlete Reference Letter

*July 16, 2023*

To whom it may concern,

This reference letter is regarding Joseph Marek, of Albuquerque, NM. I've had the privilege of coaching Joseph the past two summers on our 18U AABC Connie Mack team, The Frackers, of Farmington, NM. I have also had the opportunity to coach against him, as the winning pitcher of our opposing team during the High School season in state playoffs (Hope Christian).

Joseph is an exceptional young man who contributes greatly to any roster. He is a strong leader and handles himself well in high pressure situations. He has a strong work ethic, is self-motivated and understands the value of putting in the necessary work required to compete at a high level of baseball.

Joseph also demonstrates the value of teamwork and is one of those kids you simply love having around, let alone as a key contributor on your roster. As a result, Joseph established himself in the heart of our pitching rotation and was consistently prepared to fulfil his role on any given day.

Therefore, I highly recommend Joseph Marek to your baseball program. I am confident in his commitment and accountability to continue developing as a competitive student-athlete.

Respectfully,

**Eli Wyatt**
