

To whom it may concern:

I am writing this letter to recommend Carter Reitz for your scholarship and athletic opportunity. He is a great student-athlete that I have had the pleasure of coaching for 2 years as Head Baseball Coach at Deer Valley High School. I have worked with Carter and have watched him develop and excel in his academic and athletic career

Carter has worked hard to improve his game and skill level. He is a pitcher and infielder and is a natural leader in the sport. Carter received 1st team honors in the West Valley region as a pitcher this past season. He will be a senior in the 2025 season.

Carter's work ethic also carries over to the classroom. He is highly regarded on the campus by his coaches, teachers and peers.

If you need more information about Carter please contact me at your convenience.

Sincerely,

Greg Rice
