To whom it may concern,

It has been my privilege to know Judd Taylor the past four years. I have had the opportunity to work with Judd through school and FFA. Judd is an extremely hard worker and he is always willing to lend a helping hand. He is passionate about baseball, basketball, track, FFA, and his job. Judd has dedicated his time to athletics, the FFA and to his job.

Judd served as our chapter sentinel where he was a great leader. I always know that I can count on Judd. He is always willing to help me, and anyone in need. Judd is so thoughtful and caring. Judd is an extremely hard worker not only with his SAE project where he works for his grandpa's oilfield business but also with school and athletics. Judd is very dedicated to his schoolwork and to practicing and improving his athletic skills.

Judd Taylor is a great example to others. Judd is respectful, kind, hard working and the type of person that you would want your own kids to grow up and be like. Judd takes the time to make others feel a part of what he is doing and he is someone that everyone looks up to. Judd has impressed me with his dedication and love for baseball. He has developed a passion for the sport and he is truly one of the best kids at our school.

Judd Taylor is very deserving to receive a scholarship and I hold him in high honor. Judd will give anything he does 110% and your program would truly be lucky to have an athlete and student of his caliber.

Sincerely

Monica Wells
