

9/20/2023

I have had the privilege of coaching Cole for the past 4 years. As a 4 year starting catcher for our varsity program at Northwest Christian I have witnessed tremendous growth both on and off the field. He has an outstanding work ethic and is a very coachable player. He receives the ball really well and has a strong arm and good pop time as well as a solid bat. In addition, he is a VERY high character guy and one of our teams stronger leaders. These qualities would make Cole a great addition to a college program.
